

Experience

Web & Graphic Designer, Sweea Energy (Schtudach Inc.)

Montreal, Quebec - Remote
Sep 2022 - Feb 2023; Jun 2024 - Present

- Design and adapt website, landing-page, social, and digital marketing assets in English and French while keeping messaging and visual execution aligned with brand guidelines.
- Coordinate with developers on website updates, organize production-ready files, resolve asset/content issues, and review deliverables for accuracy, consistency, and web readiness.

Production Designer Intern, First Lady Products

Mississauga, Ontario - Remote
Feb 2024 - Apr 2024

- Redesigned digital and print marketing communications while preserving brand voice, accuracy, and consistency across approved materials.
- Managed artwork changes, versioning, quality checks, and production-ready files; collaborated with the team to resolve issues and deliver materials on time.

Graphic Designer, Marouf Tochal Inc.

Toronto, Ontario - On-site
Mar 2023 - Jan 2024

- Produced customer-facing digital and print marketing materials, updated TV menus, and created animated promotional slides for multiple large displays in a fast-paced retail setting.

UI & Advertising Graphic Designer, Zohoor Asre Arvand

Abadan, Khuzestan - On-site
Mar 2019 - Aug 2022

- Created social-media, advertising, campaign, and interface assets for digital services across multiple platforms, formats, and audience needs.
- Adapted creative and campaign content for different channels while maintaining clear, consistent visual communication.

OS X & iOS Specialist, Abadan Apple Services Store

Abadan, Khuzestan - On-site
Dec 2014 - Feb 2019

- Investigated and resolved software, performance, connectivity, synchronization, backup/recovery, printer, and peripheral issues in-store and on-site.
- Guided customers through setup, installations, updates, data migration, backup, recovery, and product best practices, explaining solutions in clear, practical terms.
